We are delighted to announce the launch of the ANZ UWA Business School Asia Fellowships

The fellowships provide Business students with the opportunity to participate in a combined student exchange and work experience program with an Asia-Pacific focus. The recipients will spend six months on a study exchange at the Faculty of Business and Economics, University of Hong Kong, followed by an 8 to 12 week paid internship at ANZ Hong Kong.

ANZ is a Supporting Corporate Partner of the UWA Business School. A key component of the partnership is the creation of the ANZ UWA Business School Asia Fellowships, an investment by ANZ in business education and underpinning its super regional banking strategy in Asia Pacific.

Please join us to:
- Hear from Robert Montanari, Director, Institutional Banking Perth at ANZ talk about a career in Banking in Asia
