## BHP Billiton Scholarships - Information Evening

**Up to twelve Scholarships for PhD, Masters and Honours students at the UWA Business School are available each year, valued from \$20,000 up to \$153,000.**

BHP Billiton operates globally to provide the natural resources essential for the world's economic and social development, now and into the future.

Each year, up to twelve scholarships are provided to enable students of exceptional research promise to undertake honours or higher degrees at The University of Western Australia Business School.

These scholarships are for research in economic, business or management issues relevant to the resource sector and can explore the direct operations of mining and resources management and/or their indirect effects on the wider community.

For information about the scholarships, join us and senior BHP Billiton representatives for an Information Evening:
